Subject: ASCAP

I have already submitted my comment concerning ASCAP and their theft of royalties that are due to songwriters like myself. I have received NOTHING for the songs that I wrote and co-write that are being played on over 500 radio stations.

Yesterday I received an email from ASCAP asking me to stand with them against the DOJ because they STAND WITH SONGWRITERS.

Nothing could be further from the truth. ASCAP stands for ASCAP and does all they can to raise funds to pay their excessive payroll and expenses. If they STOOD WITH SONGWRITERS I would be songwriting and performing full time, based on the airplay we have gotten.

I can be reached by phone at [REDACTED] or email at [REDACTED]

Please stand up for songwriters who are being ripped off by the very organizations who are claiming to represent us. Thank you

Bill Sanders
