Subject: Performing Rights - Antitrust Consent Decrees

I am writing to request that you DO NOT end the Antitrust Consent Decrees which have regulated both BMI and ASCAP since the 1940's. We, and many like us across the country, are a small non--performing arts center serving a population base of approximately 5,000. If BMI and ASCAP are allowed to raise their licenses fees unchecked, this will have a devastating effect on our industry. Please DO NOT end the Antitrus Consent Decree!
