Subject: Antitrust and Decrees

I am asking that you please reconsider ending the Antitrust Consent Decrees which have regulated both Broadcast Music Inc. and the American Society of Composers, Authors and Publishers since the early 1940s. Ending the Antitrust Consent Decrees would cause a great hardship to those of us who love music and those who bring us the music to enjoy. I'm suggesting...If it isn't broken...don't fix it!

Thanks for your consideration in advance, MJ Pelley
