Subject: ASCAP and BMI decrees

Please don't make any changes that will limit Small town and upcoming performers ability to perform and make a living. The industry should not be controlled by two entities. As it is they have too much control over what is on the radio. Much of what is played is what they want to promote and is similar to payola. This is wrong. Please don't give them more power in the industry.

Respectfully,
Sherrie L. Powell
